Pastors, Elders/Women's Ministries Leaders

Christian Greetings.

I wish to express my deepest appreciation to the Executive Committee of the Central Jamaica Conference of Seventh-day Adventists for granting me the opportunity to serve as the Director of the Education & Women's Ministries for the Conference.

I am grateful to God for this divine appointment and look forward to working with each of you to strengthen the sisterhood and build up the kingdom of God. Sincere gratitude and commendations to Pastor Latoya Smythe-Forbes, my predecessor, who has worked hard in this department since the beginning of the quadrennium. We pray God's richest blessings in all her endeavours.

The International Women's Day of Prayer will be celebrated on Sabbath **March 3, 2023**, **under the theme "Transformed by Prayer"**. This is an opportunity for the entire church, especially our women to draw closer to God and to each other through prayer.

According to Tennyson, "More things are wrought by prayer than this world dream of." Let us present our deepest issues before the Lord in anticipation of His transformation.

Attached is the sermon and other materials that can be used in preparation for this day.

I am anticipating your continued support as we prepare for Christ's imminent return.

Yours in the Master's Service,

Rox-Anne McKoy Chambers
Director, Education and Women's Ministries
