DIRECTOR: Sister Mary Cole

The Children's Ministries Department of Central Jamaica Conference is responsible for the spiritual nurturing of children 0 – 12 years, in order to draw them into a lifelong redemptive friendship with Jesus and commitment to the Seventh-day Adventist Church. It now offers nurturing programmes such as the Sabbath School, Vacation Bible School, Stewardship, Baptismal Classes, Health Classes, Family Life classes, Week of Prayer readings, Prayer Meetings. It also offers programmes to help in the sharing of their faith and development activities such as: Literature distribution, choirs, children's days, and crusades. The programmes accomplished are Children's crusades, and other outreach programmes

The plans and projections are to have 'child-friendly' churches, to involve children in the life of the church, to train children for witnessing and to lead children in an enjoyable and spiritual church experience.
